

You are going to write a story book about an imaginary journey your favourite boat has made.

Your helper will help you make your book up from the special instruction sheet. Remember that the front page of your book should be the title page as this always comes first.

Write a sentence on each page and then draw a picture to help tell the story. The ideas below might help you with your story.

When did your boat make its journey?

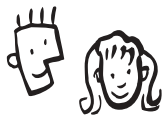

Today last week last year

What was the weather like?

sunshine storm rain

Where did your boat go to?

Scotland America Africa

Who was on your boat?

friend dog family

Did you see anything on the way?

shark whale fishing boat

What happened when you got there?

picnic swim play

Colour in the pictures in your book when you get back to school.
